REAL ESTATE SHOWCASE NEW JERSEY

COMMUTER HEAVEN

Nothing less than a commuter's dream, The Reserve at Glen Ridge is a luxury condo community in a tree-lined Essex County town, an easy 36-minute train ride from Penn Station. This striking four-story building features 37 distinctive residences of spacious 1-, 2- and 3-bedroom designs, including five multi-level townhouses with private entrances.

The fully loaded units, priced from \$535,000 to \$1.82 million, come with rich oak floors throughout, full-sized washer and dryer, oversized windows, ceilings 9 feet and up; gourmet kitchens with KitchenAid Architect series stainless-steel package; sumptuous master baths clad in Botticino and Emperador marble. Concierge and indoor heated parking are two more allures.

Just steps from the charming Ridgewood Avenue train station and a quick run to NYC, the development, by The Pegasus Group, feeds off a town blessed with parks and recreational facilities, excellent shopping and dining, and architectural styles dating from the mid-19th century.
